

JOINT ENTRANCE EXAMINATION-2017, ODISHA

OJEE Mobile App for Android Lunched

Odisha JEE is proud to publish its first mobile app for students.

This is the official mobile app for Odisha Joint Entrance Examination - 2017 developed for Android.

It supports Android versions 4.1 and up.

This App will help students stay up to date with

- * Latest News,
- * Important Information,
- * OJEE 2017 Application Form Status,
- * Information regarding Seats in Colleges for each Courses,etc..

Good news is that most of the features you can access offline once synced. OJEE 2017 app is available in Google Play Store. To install the App:

A)

1. Go to Google Play Store in your Android mobile
2. Search for **OJEE 2017**
3. From the list click on the OJEE 2017 icon (a Circle containing j)
4. It will take you to OJEE 2017 app page.
5. Click on Install button to install on your device
6. It will ask for permission during install or when you open first time, click accepts to continue.

OR

B)

1. Click on OJEE 2017 Android App link from www.odishajee.com website or Click on the OJEE 2017 Android App link from <https://www.facebook.com/ojee2017>.
